

NAS Documentation & Configuration Identification Data Sheet

Project Lead:		Telephone:		
Form Completed By:		Telephone:	Date:	
Document Identification Information				
1. Document No.:		2. Version:	3. Volumes:	
4. Document Change Type: (Amendment, Contract Mod, SCN, DCN, Modification Handbook, etc.)		5. Change No.:	6. Chapter No.	
7a. Title:				
7b. Change/Chapter Title:				
8. Version: (preliminary, Draft, Final)		9. Sensitivity: (Unrestricted, Proprietary, Other)	10a. Author: (Corporation or Organization)	
10b. Publisher:		10c. Issuing Agency:	11. OPR:	12. Responsible CCB:
13. Baseline? <input type="checkbox"/> YES <input type="checkbox"/> NO	14. Applicable Baseline: <input type="checkbox"/> RQMT <input type="checkbox"/> FUNC <input type="checkbox"/> ALOC <input type="checkbox"/> PROD <input type="checkbox"/> OPER		15. CCD No.:	16. CCD Approval Date:
17. Document Type: <input type="checkbox"/> ICD <input type="checkbox"/> Specification <input type="checkbox"/> Instruction Manual <input type="checkbox"/> IRD <input type="checkbox"/> Standard <input type="checkbox"/> Order <input type="checkbox"/> Other		18. CIP Project No.:	19. Publication Date:	Release Date:
21. Documentation Status: <input type="checkbox"/> Inactive <input type="checkbox"/> Canceled <input type="checkbox"/> Active <input type="checkbox"/> Obsolete <input type="checkbox"/> Superseded		21a. Superseded By:	22. Supersedes:	
23. Stocking Symbol Point <input type="checkbox"/> Logistics Center <input type="checkbox"/> OPR/Routing		24. Contract No.:	25. CDRL No.:	
26. Suggested Keywords or Subject References:		PRIMARY	SECONDARY	
Configuration Identification Information				
1. Configuration Item Designator: (Fill In Applicable Blank)				
a. Facility Master File Acronym:	b. FA or CA Type (Hardware) No.:	c. Software Acronym:	d. Project Acronym:	
2. CI Nomenclature:				
3. NAS Element: (Check NAS Program Element to Which CI Belongs)				
a. Air Traffic Control: <input type="checkbox"/>	b. Ground-to-Air: <input type="checkbox"/>	c. Interfacility Communication: <input type="checkbox"/>	d. Maintenance & Operations Support: <input type="checkbox"/>	
4. NAS Subelement and/or Subsystem: (List Subelement and/or Subsystem to Which CI Belongs)				
5. CIP Project No.:		6. Responsible CCB:	7. OPR:	
8. CI Status: (Check as Applicable) <input type="checkbox"/> Fielded <input type="checkbox"/> Level 1 Design <input type="checkbox"/> Transitional <input type="checkbox"/> Operational <input type="checkbox"/> Decommissioned		9. Baseline CCD:	10. CCD Approval Date:	
11. Suggested Keywords or Subject References: (Three to Seven Words)
